Treasurer is chair of Finance Committee. Position of treasurer is relatively new. Was created during transition to MTSU. • Finance committee receives financial information from Executive Office and the Accountant. Books are maintained, and budgets and reports are created, by the Executive Office. Accountant prepares 990/Financial Review. • Bulk of work Treasurer would do has this year been done by Bethany (& new PA will take that on). • Having a treasurer is an expense for the OHA (\$2,000 stipend + travel to annual meeting). • Treasurer provides oversight too, but oversight work could be taken on by Finance Committee/Co-chairs. <p>Question of dissolving position of Treasurer: <i>Moved, Seconded, and Approved: 1:27pm.</i></p> <p>Question of having Finance Committee Co-Chairs, one of which is the First VP and the other is the Member-at-Large: <i>Moved, Seconded, and Approved: 1:31pm</i></p>

A: Baylor’s GA rate has remained the same for a decade - \$15/hour. We have the capacity to raise GA pay through OHA by supplementing Baylor pay. • Need Council to approve website maintenance plan quote from designer Rachael Gilg by end of year: \$2200 for next year. • Software Cost Update: We are switching from All Academic to MemberClicks Review Panel for our Annual Meeting submission portal, saving \$4,800. • Scholarships Line: We have had consistent melt here; we will encourage committees to over-award to account for melt (melt = awardees not attending). • Routledge Membership Cost: We made an accounting change with Routledge to reduce our membership payment associated with partner members. 	<p>Keep an eye out for virtual vote on website maintenance quote before next meeting</p>	<p>All</p>
