- We are piloting a new session type: "Project Spotlights." Similar to lightning rounds, these sessions give presenters an opportunity to highlight their papers or projects alongside work that touches on similar issues or types of oral history practice.
- We will be using SCHED as a supplement to this year's program. More details to come in August!

⚠NOTICE!⚠

This year's business meeting will be held virtually on October 1st, 2024 from 3pm - 4:30pm CDT. We encourage all members that can to attend! The link to the meeting will be forthcoming.
